Chamber backs tax increase

By JACK C. VENTIMIGLIA

COLLINSVILLE — Two "fall classics" were in competition Thursday, but most members of the Tri-Cities Area Chamber of Commerce decided to attend the annual meeting rather than watch the Royals whip the Cardinals.

But World Series fever did play a part in keeping business and political remarks shorter than usual, to the delight of many in the crowd of more than 200, which included some who listened to the

speakers in one ear and transistor radios in the other.

Dr. Bruce Wissore, chancellor of Belleville Area College District, used the dinner as forum for backing the district's tax referendum. The chamber, which is on record in support of the forum, heard the chancellor repeat essential information about the campaign:

- The increase will annually cost a person with a \$60,000 home \$21;
- The tax will annually raise \$2,250,000;
- Granite City Campus will gain 53

percent of the tax money;

- The average age of a person attending BAC is 30;
- At Granite City Campus, 75 percent of those attending are trying to improve their job skills;
- The district needs the revenue to provide for the large area it serves — 2,100 square miles.

"The future of the Tri-Cities Area is in the Granite City Campus, and vice-versa," Wissore said.

Wissore's remarks closed an evening of closings for the chamber. The (See CHAMBER, Page 9A)

Pay increase granted to substitute teachers

VENICE — Substitute teachers in the Venice School District will receive an increase in pay, effective immediately.

The daily rate was raised to \$45, an increase of \$7, in action taken by the Board of Education on Thursday night.

"OUR SUBSTITUTE teachers have not had an increase in about four years," Venice Superintendent Robert N. Vickers said.

"We are falling behind the neighboring districts, making it harder to get substitutes when needed."

"For example, East St. Louis pays \$55 (a day) and Madison probably will raise their rate when the teachers' contract is settled," he said.

THE BOARD recently granted pay hikes to substitute cooks, substitute custodians and substitute teacher aides.

No response has been received from bidders interested in revitaliz-

ing the school's athletic field, Vickers reported.

The work involves constructing a new baseball diamond and skinning the existing softball field.

SEVERAL LOADS of new fill dirt will be required and some of the present ground cover must be hauled away, Vickers explained.

One firm had expressed interest in accepting the job earlier this year, the superintendent reminded the board. He was authorized to contact it to discuss the project.

A proposal was accepted from the John Hamm Construction Co., Madison, to seal and re-stripe the parking area and driveway at Venice-Lincoln Technical Center at a cost of \$644.

"I'M AFRAID if we don't do something very soon about the cracks in the pavement, moisture will be getting underneath and freezing; then we are going to have some pretty big chuckholes," said Peter Ponce, Venice-Lincoln director.

Granite City student struck by van, truck

GRANITE CITY — Two vehicles struck a high school freshman who was reportedly jaywalking on Nameoki Road Thursday.

Richard D. Genovese, 15, of 2825 Marshall Ave., was listed in stable condition at St. Elizabeth Medical Center Friday.

The high school had an early dismissal at 2 p.m. Thursday, due to a homecoming parade.

Genovese was involved in the accident shortly after the parade left the school grounds.

He apparently crossed Nameoki Road, entering into its southbound lane. When he got into the inside lane, he was hit by a van, thrown over the road median and hit again by a pickup truck in the inside northbound lane.

Carl E. Yeager, 56, of 2910 Palmer Ave. was the driver of the van. He

told police he heard an unidentified vehicle, which was in the lane next to him, squeal its tires about the time he saw Genovese.

The driver of the pickup truck, Brian K. Howell, 24, of 3020 Mockingbird Lane said he saw Genovese and applied his breaks, but was unable to stop his vehicle before hitting him.

The accident report indicates Genovese was jaywalking when the accident occurred, said Police Chief Bill Harris.

"This is the reason we announced the crackdown on jaywalkers and motorists," he said. "We were afraid something like this would happen."

Harris said there had been several "close calls" prior to the incident Thursday.

The chief said he will have additional police posted in front of the school to watch the traffic.

Teachers considering strike

Madison School District teachers rejected the board's most recent offer for a two-year contract Oct. 22 and are seriously considering a strike, Bert Ewing, field service director of the Illinois Federation of Teachers, said here Thursday afternoon.

About 35 persons, including teachers, were present on the Madison Middle School grounds as he spoke at an outdoor press conference. "This press conference was called to alert parents and the community to an imminent possibility of a strike," Ewing said.

NEGOTIATIONS began in April and the teachers have been working without a contract since Aug. 27, he said.

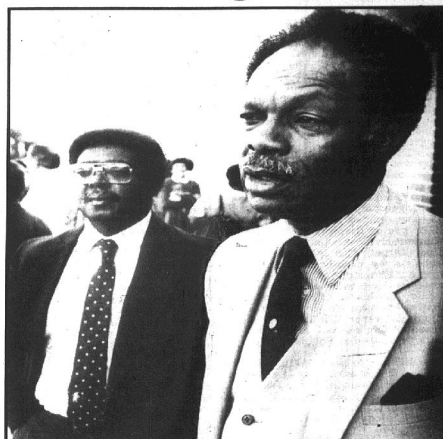

"Right now, we are at an impasse, with eight unresolved items, six of which are language items and non-economic," Ewing related.

"One major item of importance is the mandated inclusion of binding arbitration in grievance procedure. This has been in effect for several years and is now a law in Illinois. The board wants to eliminate this section of the contract and we (the teacher union) want to comply with the law."

"IN REGARD to the salary offer, we are not that far apart — If the board will give a little bit," Ewing said. "The norm in the state for teacher pay raises is 7 percent and that is what the Madison teachers think is fair."

Willie Dennis, president of Madison Federation of Teachers Local 763, said the teachers' last proposal was for 7 percent raises, plus seniority increment payments of \$450, and the board's last offer called for salary increases of from 2 to 6 percent.

However, Superintendent John

Palchett said Friday the board's salary offer was for 12 percent over two years, averaging 6.5 for the first year and 5.5 percent for the second year.

"WE ARE in the top 10 percent of

the state in districts of less than 3,000 enrollment," Palchett said.

Insituform may solve sewer problems

EXPLAINING THE PROCESS of Insituform installation to 7th Ward Alderman Jeff Warren, standing at right, is City Engineer Ed Schulze. Workers tie off the lead end of the revolutionary sewer pipe lining before it is started through a lateral line. (Staff photo by Patrick Foley)

GRANITE CITY — A new tool for repairing sewer breaks could be the answer to the city's ongoing problems with the Nameoki sanitary sewer system.

"When I started reading about the process, I could hardly believe it,"

Sunday focus

said Ed Schulze, acting city engineer. "It's almost too good to be true — it really works."

Schulze was referring to Insituform, a process developed in 1971 by a British engineer. The repair process was literally named for its capability, to form a new pipe in place of the old.

In the Insituform process, a polyester fiber sleeve is soaked in a thermo-setting resin. This tubing is tailored to the exact diameter and length of the pipe it is repairing.

The Insituform is then inserted into the line through an existing manhole and water is sent into the tube, inverting it and pushing it the length of the pipe, pressing its walls against the walls of the pipe.

The water is then heated to 180 degrees and is run through the tube for four hours. This process cures the resin, making a new, hardened tube.

Insituform has a 50-year design expectancy, can line pipes from four inches to 108 inches, can negotiate bends, resist corrosive chemicals and has a deflection rating of five.

"The only thing that would break the Insituform is a major earthquake," said Gary Penrod, marketing representative for Insituform Missouri.

The process was performed last week on a sewer break at Spalding and Boyle avenues.

The sub-contractor on the job was C.D. Peters Construction Co.

Jim Morris, project engineer for C.D. Peters, said he is excited about the Insituform process.

"We believe that this new method will revolutionize the sewer repair industry," he said. "Now that Granite City has introduced the method into the Metro-East Area, we feel it will spread to nearby larger communities and be in- (See INSITUFORM, Page 9A)

Army hides faults

WASHINGTON — When generals plan for the next war by getting ready to re-fight the last one, it's usually because they won't. What can you say about generals who are proposing to re-fight a war they just lost using the same methods, only on a bigger scale?

Believe it or not, that's what the Army intends to do in a belated effort to recover from the egregious waste of time and money on a vital computer system called CAMIS. The project, as we first reported last June, is months behind schedule and threatens to turn into another billion-dollar boondoggle. The Army has already spent at least \$40 million just on the "brainstorming" phase of CAMIS. The Army is trying to decide what the computer system should be designed to do. The blame was due, in part, to the sole-source contractor, according to our sources.

Now, faced with a devastating inspector general's report, the brass hats have decided to dispose of CAMIS by having it absorbed in a new, comprehensive system called STARNET. This kitty-litter approach is apparently intended to sweeten the sting of scandal, and perhaps throw critics like Sen. Charles Grassley, R-Iowa, off the scent. Grassley has asked to see the inspector general's report, but the Army has refused. From internal Army documents we've seen, it's not hard to tell why.

The decision to have CAMIS taken over by STARNET, according to a July memo seen by associate Don Goldberg, was made because "the Army didn't stand a chance of successfully defending CAMIS" to top Defense Department officials.

But — and here's the incredible part — the generals propose to use the new, bigger and more expensive STARNET system designed and built by yet another sole-source contractor. They're rebuilding the Maginot Line, in other words.

The brass hats are aware that the plan is "still not without risks," as an August report warns, explaining: "The Competition-in-Contracting Act has created an environment and an expectation that sole-source contracting will no longer take place. It is possible that the sole-source contract to Electronic Data Systems may be protested."

In short, the generals see it as just an image problem, and they know how to handle that: a good P.R. campaign. "The Army should attempt to mitigate these risks through an effective liaison and information campaign" aimed at Defense Secretary Caspar Weinberger, Congress and the media, the report states.

One Army official, Wayne Grant, acting assistant secretary for financial management, has warned the generals that even the slickest P.R. effort may not save the sole-source approach. For one thing, he warned in a memo to the brass, "there appears to be no rationale for the sole-source approach," for canceling other, competitively won contracts that are also to be absorbed in STARNET.

Jack Anderson
If that's not enough to discourage the idea, Grant points out that canceling the contracts would reinforce the contractors' suspicion that Electronic Data Systems had "a lock" on the computer contract. The Army had to "take rather extraordinary measures" to get them to submit bids, Grant noted.

He further warned that giving out a sole-source contract on STARNET would put the Army on a collision course with top officials, who are committed to competitive bidding.

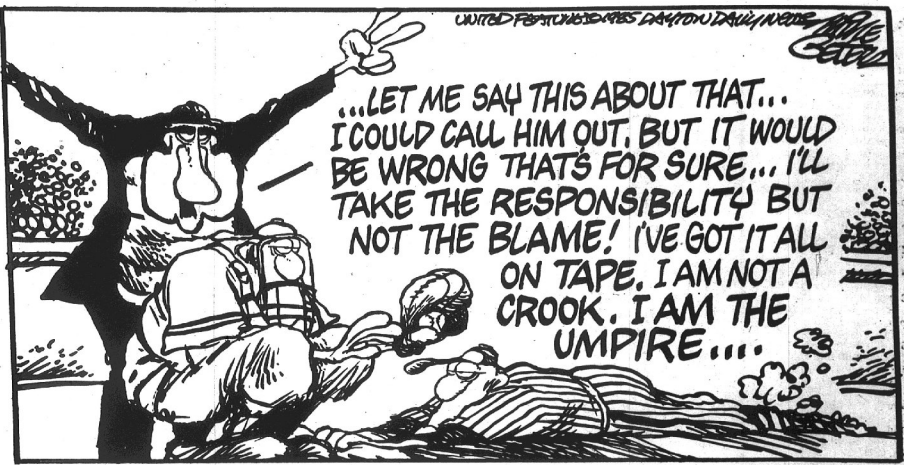

EXECUTIVE MEMO: The Reagan administration has been using some peculiar assumptions in making crucial decisions about the nation's strategic stockpile of critical raw materials. Congress set up the program to make sure the country can get along without certain resources in time of war. But the White House has decided to reduce the stockpile of materials — such as chrome — that are used in the manufacture of automobiles. The argument: Americans won't need new cars in wartime.

POLITICAL POTPOURRI: Former Rep. Geraldine Ferraro, D-N.Y., is pondering whether to run for the U.S. Senate next year. One of the things she has to find out is whether she could raise enough campaign money. A recent review revealed she had only \$89,300 in her campaign fund. It was reduced by \$20,575 last April, when she had to transfer money to her 1978 campaign fund to pay legal fees she ran up during the investigation of her 1978 finances by the Federal Election Commission.

UNDER THE DOME: Most Congressional mail is answered by staff assistants, some of whom, unfortunately, are only vaguely familiar with American history. Last spring, for example, a correspondent wrote to Sen. Thomas Eagleton, D-Mo., and touted the accomplishments of "Citizens Against Government Waste," whose address is a post office box at Washington's Ben Franklin Station. The response prepared for the senator's signature was addressed to "Mr. Ben Franklin," and it began: "Thank you for contacting me."

EDITORIAL: Some of our more liberal critics resented our criticism of the Sandinista regime in Nicaragua. Apparently, they believed that because we argued that nation's dictator, Anastasio Somoza, we would embrace his successors. We'll let one of our political hawks, Thomas Jefferson, speak for us: "I have sworn upon the altar of God, eternal hostility against every form of tyranny over the mind of man."

Duties of city attorney are diversified

The major responsibility of the office of the city attorney is to function as legal adviser to the executive staff — the mayor and the City Council — both on issues currently before the governing body and also on ideas and plans for improvement of the city and the city administration.

One of the attorneys in the office is always available to advise and consult with the mayor and/or members of the City Council, and attends all council meetings. All questions regarding matters of law, including parliamentary governing procedures relating to conducting City Council meetings, are referred to the city attorney during the council meetings.

The city attorneys serve the city on a part-time basis, deriving the majority of their income from their respective private law practices.

Granite City is a "home rule" unit under Illinois state law. Home rule authority allows the city broad powers in drafting and implementing ordinances governing the city, another major responsibility of the office of the city attorney.

Another primary function of the office is representing the city in any civil litigation to which it may be a party or in which it may be interested.

This representation includes prosecution and/or defense in litigation which may be brought against, or by, the city or any officer of the city

on behalf of the city.

The office of the city attorney is responsible for the prosecution of violations of laws and ordinances. The most frequent ordinance violations which are prosecuted relate to violations of the traffic laws and violations of the Granite City housing and building codes. Violation of the Granite City housing and building codes leads to another duty of the office of the city attorney: condemnation of derelict and dangerous property.

At the direction of the mayor, the office of the city attorney participates heavily in the area of housing and building code violations and condemnation action in an effort to fulfill the mayor's commitment to

MARK C. GOLDENBERG is the city attorney for Granite City, appointed to the position by Mayor Van Dee Cruse.

clean up the city and make it a more attractive, safe place to live.

Granite City operates on an annual budget of approximately \$10 million. Much of Granite City's revenue and expenditures are a result of contractual relationships, both with other governing bodies and with the private sector.

As with any business or individual entering into a contractual relationship, which is a legally binding obligation of the parties to the contracts, it is important to have legal counsel available.

The office of the city attorney performs this function for the city, either drafting or reviewing all contracts to which the city becomes a party. These contracts may be as

simple and short-term as the acquisition of a piece of equipment or a one-day demolition of a condemned building, or as far reaching and complicated as a multi-year intergovernmental agreement involving millions of dollars.

Finally, the city also has several "boards," created by state or city statutes, responsible for certain segments of city operation.

These include the Granite City Library Board, the Zoning Board of Appeals, the Plan Commission, the Board of Police and Fire Commissioners, the Firefighters' and Policemen's Pension Board, and several others. The office of the city attorney is available to these boards for advice and legal interpretation on an as-needed basis.

In conclusion, the city requires legal representation in many diversified areas. The mayor has expressed his intentions to operate the city on a businesslike basis.

Any business uses revenues, expenditures, property, employees, and responsibilities as broad as the City of Granite City requires constant and extensive legal representation.

Myself, John J. Hopkins and Charles R. Douglas comprise the office of the city attorney.

We are concerned citizens of the city. We perform our responsibilities and duties to the best of our abilities and in the best interest of the city.

Not every reporter can be like Howard Cosell

Despite all the things being written about them, athletes are very nice people.

They must be, to put up with writers.

What? A writer making fun of other writers? Well, yes, but not all of them. Some of them are very good. They observe, ask good questions and write good stories.

But there are others. The questions they can come up with aren't exactly hard-hitting. Some of them aren't even questions.

Some examples (and television guys do it also, probably more than newspaper guys):

A hitter has just hit a home run in the bottom of the seventh game of the World Series to win it. He is mobbed by his teammates. The fans are going wild and crazy. Fireworks are going off.

The hero is grabbed by the quick-moving media man, we'll call him Jim, and brought over to an area where he can be heard above the din. And here it comes.

"How do you feel?"

"What will he answer?"

"Well, Jim, I don't feel too good. It's a cold night and the bat kind of stung when I hit the ball. My dog's got fleas and my son got a C in his

Columnists' club

Dave Whaley

first grade math test. Overall, things could be better."

Jim would likely ignore it and move on to his next "question."

The fans were really behind you tonight.

"I didn't know that, Jim. I thought they were cheering because, the national dunking in and out of the clouds all night. Do you have any questions?"

"It was a great season for the ball club."

"I know, Jim. Are you going to ask me any questions or are you going to merely keep repeating the obvious?"

"The opposition really went down fighting."

"No, Jim, they were a bunch of sore losers."

"We asked about five categories for organizing all news: society, weddings and engagements, obituaries and local news."

"Yes, organize the news," you responded: 91 percent for police, 94 percent for society, 93 percent for weddings and engagements, 85 percent for obituaries, and 81 percent for local news."

Most think the calendar is just right, and we have left it alone.

Apparently, most of our editorial stands are appreciated. The majority of them in all three issues and the editorial wheels are turning in that direction.

We also asked about how well you like cartoonists Mike Peters and columnist Paul Harvey. Art Buchwald and Jack Anderson.

Cosell. You're probably thinking, "that's good," but Howard is among the best at interviewing people and getting good answers from them.

Larry Merchant, who is often seen in the ring after boxing matches on Home Box Office, is another. You won't see Merchant telling Larry Holmes that hard-hitting fight was just occurred.

He figures Holmes already knows that. Merchant is more interested in finding out when Holmes knew his challenger was wearing out or why Holmes didn't use his left jab much in the early rounds.

Let's compare the questions that Larry Merchant or Howard Cosell might ask an athlete with the ones our friend Jim might ask in a similar situation.

Dan Marino has just been harassed into numerous mistakes and a dreadful performance in a loss to the San Francisco 49ers in Super Bowl XIX.

Merchant/Cosell: "Did the blitzing techniques of the 49er linebackers leave you feeling you weren't prepared for that or was there just a lack of execution by your offensive unit?"

Jim: "The Niners gave you a tough time out there."

Dwight Gooden has just pitched a no-hitter, and in the process struck out a major league record 20 batters.

Merchant/Cosell: "Did all your pitches seem to be working perfectly tonight or were you fastidiously overpowering the other pitches which seemed to set it up?"

Jim: "You really blew them away tonight, big guy."

Patrick Ewing has just been dominated by Kareem Abdul-Jabbar in Ewing's NBA debut.

Old pro Jabbar has taken the rookie to school by outscoring and outbounding him by a wide margin.

Merchant/Cosell: "Was it a case of opening-night jitters or did Kareem simply have too much savvy for you tonight? And did the fact Kareem has a much more experienced group of teammates play a big part?"

Jim: "Kareem's a little better than some of the guys you faced in college, huh, Patrick?"

So there you have it. The sad thing is Jim's kind are often more popular among the public than a Cosell or a Merchant. Jim loves sports, but he would rather just engage in small talk with his heroes than find out what really happened.

That was quite a column, huh, Jim?

Wants flags on Veterans Day

To the Editor:

Considers the Moose Lodge in Granite City for having the patriotism and generosity to purchase an additional dozen American flags, brackets and poles to replace the stolen flagpoles on the 18th Street overpass.

It cost the Moose an additional several hundred dollars, but it shows their patriotism, determination, interest and concern to have "old glory" flying from our town's overpass this coming Veterans Day, Nov. 11, and subsequent days.

The Moose lodge came through with flying colors. This fine organization is due much appreciation and many thanks from citizens. We are proud of them.

The wanton theft of American flags recently in our town — at a local bank, an attorney's office, two flags (a Christian flag and an

American flag) at a local Christian book store, and the local YMCA — is disturbing, bewildering and sad.

Let's fly "old glory" this Veterans Day to honor our local veterans. Buy one if you don't have one, to show your care and concern for living and deceased veterans.

America is great due to the veteran. This day is set aside in his honor. He is your son, brother, father, cousin, friend and schoolmate. There are 135 in our town who paid the supreme sacrifice in the three most recent wars and we want to remember them the most.

Fly "old glory" for them. They won't be back, but the flag they fought for will fly forever, in their honor.

Questionnaires show readers want organization

Several persons have asked about the results of the questionnaire we put in the newspaper in September.

The results show a community expecting progressiveness from their newspaper. You want organization. Some weekly newspapers doggedly have stuck to a make-up style left over from the days of hot type. Basically, news stories might appear anywhere in the paper.

Many newspapers, notably USA Today, are now working from a philosophy of organizing all news content to make particular news categories easy for the reader to find.

We were curious about how readers of the Thursday paper would respond to the news being organized in a predictable manner. We also wanted to know if our organization of the Wednesday and

Free diabetes testing

As part of National Diabetes Month, St. Elizabeth Medical Center in Granite City and the Greater St. Louis Affiliate of the American Diabetes Association are offering free diabetes screening tests to community residents on Friday, Nov. 1, from 8 a.m. to 8 p.m.

Diabetes is now the nation's third leading cause of death by disease and the number one cause of new blindness. People at greatest risk of developing diabetes are overweight, over 35 years of age and have blood relatives with the disease.

For an accurate test, a person must have eaten at least 100 grams of carbohydrates two hours prior to the test. Those to be tested are told not to eat or drink anything else, except water, in the two hours preceding the test.

The following are suggested menus containing at least 100 grams

of carbohydrates. "You must eat everything on the menu you choose," a spokesman said.

Breakfast: Fruit (banana, canned fruit or large glass of fruit juice), 1 cup cereal (cooked or dry), 1/2 cup milk, 2 tsp. sugar, 2 pieces toast or bread, 1 tsp. jelly or jam, coffee or tea (cream and sugar if desired).

Lunch #1: Vegetable or cream soup, 5 crackers, meat or cheese sandwich (with two slices of bread), dessert (cake, pie, pudding, etc.).

Lunch #2: Hamburger and bun, french fries or 1 bag of potato chips, large glass of soda (not diet).

Other meal plans, the carbohydrate values of many common foods and pre-test information may be obtained by calling St. Elizabeth Medical Center at 789-3485 or the Diabetes Association at 1-314-968-3196. Known diabetics, including borderline cases, will not be tested.

Halloween parade Oct. 31 in GC

By VALERIE EVENDEN
Staff writer

It's that time of year to start preparations for this area's largest Halloween parade, scheduled in downtown Granite City at 7 p.m. Thursday, Oct. 31.

Granite City Moose Lodge 272 again will sponsor the annual parade in cooperation with the Downtown Granite City Merchants group.

Walter Anders, Moose parade chairman, said Friday \$100 in cash awards, plus gifts from downtown merchants, will be offered participants whose costumes are judged to be outstanding.

First, second and third-place awards will be presented in three categories — best dressed, most original and funniest.

The event is open to all area residents, both adults and children.

Paraders will assemble at about 6:30 p.m. Oct. 31 in front of the City Hall on Niedringhaus Avenue, where identification numbers will be assigned.

The parade will move south on State Street to 19th Street, along 19th to Delmar Avenue, north on Delmar to Niedringhaus and back to the City Hall for the costume judging.

Halloween event at Mount Nebo

A Halloween recital entitled "Who Dun It" will be presented at Mount Nebo Missionary Baptist Church on Wednesday, Oct. 30, beginning at 6:30 p.m.

The recital will feature musicians from the Venice-Madison area, featuring piano soloists Stacey Brown, Craig Meiers, Tammy Brent, Pashen Horton, Pia Horton, Blain Parron, Rasheda Johnson and Nikia Mosby.

Guest performers will include Mrs. Verdella Ford, piano, Miss Shawndell Wilson, clarinet, and Miss Lisa K. Young and Miss Kimberly Y. Owens.

Work to begin on 20th Street, Missouri Avenue

GRANITE CITY — Drivers are advised to avoid travel on Missouri Avenue and part of 20th Street this week. Street crews will begin priming the streets Wednesday, Oct. 30, for resurfacing.

The street work will be done on 20th Street from Madison Avenue west to the railroad tracks and on Missouri Avenue from the railroad tracks to West 25th Street, city officials said.

Memorial teen dance tonight at Legion

A teen dance in memory of Dawn Padgett, 17, a Granite City High School student who died of Hodgkins Disease on July 24, 1985, will be held Sunday, Oct. 27, at the American Legion Post, 1125 State St.

Tickets for the benefit event, scheduled from 5 to 9 p.m. Sunday, cost \$3 per person and may be purchased at the door.

Music for dancing will be performed by Mike Evoli and Country Fever. Band members are donating their services for the special dance.

Betty Hardison and Don Jones are co-chairmen of the benefit dance, which is being sponsored by American Legion Post 113 and Auxiliary.

No alcoholic beverages will be served and chaperones will be in attendance. "There will be no drinking by the young people," the chairmen stressed, noting refreshments and snacks will be provided.

Donations will go into a fund, established by Post 113, to aid the Padgett family with its medical expenses, Hardison said.

A second benefit dance for adults only is planned by the Legion on Saturday, Nov. 2.

Fraud filings result in felony case backlog

Although September appeared to be a productive month for the Third Circuit Court (Madison and Bond counties), the court fell behind on felony cases, according to Court Clerk Willard V. "Butch" Portell.

During September, he noted in his report to the Supreme Court administrator's office, 5,130 cases were filed and 4,804 were terminated by the court.

Portell and Chief Judge Philip Rarick are mainly concerned with the backlog of felony cases, Portell said. Last month, 87 cases were filed in the felony division, while only 53 cases were terminated. Portell attributes the backlog to a recent drug arrest and the attorney general's consumer fraud filings.

"In the last several months, this category has increased in pending considerably and Chief Judge Philip Rarick is going to concentrate on the felony division and make every endeavor to eliminate this trend and reduce this backlog," Portell said.

"All other cases were stationary, with the exception of traffic violations where there was a considerable loss; however, this is not alarming. All other cases remain very stable and in some cases, such as divorce, there was a big improvement," Portell said.

Following are the numbers of each major type of case filed, terminated and pending at the end of September:

Cases	Filed	Terminated	Pending
Law cases seeking more than \$15,000			
Jury	49	47	1859
Non-jury	71	32	656
Law cases seeking \$1,000 to \$15,000			
Jury	67	8	242
Non-jury	67	31	467
Other cases			
Chancery	37	31	401
Miscellaneous Remedy	22	22	281
Eminent Domain	0	0	85
Mental Health	46	46	7
Divorce	131	288	1025
Family	60	75	2390
Juvenile	50	58	504
Felony	87	53	392
Misdemeanor	444	409	3458
Small Claims	442	491	2209
Totals	1,520	1,591	13,876

In the traffic division, 3,208 new cases were filed during September and 2,646 were terminated, the report shows.

Of the 87 felony cases heard during the month, 34 persons were convicted of felonies, one was acquitted by the court, one was discharged at preliminary hearing, six were dismissed or transferred, 11 were dismissed or consolidated and 14 were reduced or a plea was negotiated.

Guilt pleas during September included one for a Class X felony, 18 for Class 2 felonies, 13 for Class 3 felonies and two for Class 4 felonies.

Felony sentences during the month included 15 persons sent to prisons, six receiving probation or conditional discharge with periodic imprisonment, and 13 receiving probation or conditional discharge with other discretionary conditions.

Gun, cannabis charges filed

Harvey Lee Wright, 26, also known as Harvey L. Walker, 83 Lee Wright Homes, Venice, was charged with possession of cannabis, unlawful use of a weapon and not having a firearm owner identification card at 6:35 p.m. Oct. 22 in the 300 block of Weaver Street.

He pleaded innocent to the charges and bond was set at \$20,000. Officers from Venice and Madison were checking an abandoned building for a man being sought on a warrant when it was learned someone had run around the back of the structure.

Wright, who allegedly identified himself as Walker at first, was seen in some tall weeds between a house and Dunbar School. He was not the person originally being sought by the officers.

However, Wright allegedly had 16 small brown envelopes containing a green leafy substance, believed to be cannabis, in his coat pockets.

A .22-caliber revolver containing seven live rounds and two spent casings also was recovered at the scene, police said.

Captured after 3 warning shots

Police fired three warning shots into the air prior to capturing Courtney C. Maple Jr., 21, of 632 Lincoln Ave., Venice, who allegedly ran from officers at 2:35 p.m. Oct. 22. Maple was being sought on a Madison County warrant alleging violation of probation, plus other warrants alleging theft, possession of alcohol and a driver license suspension charge.

New charges of battery, resisting arrest and disorderly conduct were filed after Maple's arrest and he was transferred to the Madison County jail at Edwardsville.

After seeing a man in the 600 block of Lincoln Avenue, an officer yelled at the man, who allegedly began running between houses toward Washington Avenue while being chased by the officer.

The chase continued across an alley and then Jefferson Avenue, despite the policeman firing a warning shot and ordering him to halt.

The man tried to hide at the rear of a building near an alley at Sixth Street and Fillmore Avenue and a second warning shot was fired into the air. The man ran down the alley, passing a squad car with a police sergeant inside.

Ignoring a third warning shot, this time fired by the sergeant, the man continued running down the 500 block alley between Jefferson and Fillmore and attempted to make the bushes. Force was used to make the arrest after he refused to come out of the bushes, police said.

Q: We've heard a lot of pros and cons concerning two income families. We've considered these and have decided my wife will return to work for the first time in nine years. Do you have any warnings about the new financial structure of our family?

A: Yes. You need to be aware there is sometimes a situation created when an extra breadwinner begins bringing in that extra paycheck. The temptation to build up too great a debt load. The erroneous reasoning is, "We have more coming in, therefore we can afford to do some of the things we've always wanted. Always temper that reasoning with the stark realization of why you now have two incomes instead of one: Because apparently one was not quite enough. A good rule of thumb is don't commit more than 20 percent of after-tax income to monthly installment payments (not including the mortgage). Liquidate the debts which worried you enough to become a two-income family. THEN begin thinking in terms of some of the things you've always wanted.

WOMAN, CHILD BATTERED

Lee Anna Green of 106 Kirkpatrick Homes reported Oct. 25 a man arrived and struck her in the right eye and hit her in the stomach and chest. He also struck a 10-year-old girl in the jaw with his fist. The girl was treated at St. Elizabeth Medical Center for injuries.

JEWELRY, CHECK TAKEN

Augustine Overfelt of 2431 E. 23rd St. said Oct. 24 a burglar kicked open the front door of his home and took costume jewelry and a personal check for \$165.

CREDIT CARDS STOLEN

Wanda Sheriff, 5113 Rapp Road, reported a card case containing credit cards was taken from her purse during the day Oct. 20. Nothing else was missing, she told Madison County authorities.

MAN ISSUED DUI TICKET

Michael L. Murphy, 33, of 2617 Washington Ave., allegedly driving in an erratic manner, was stopped at 12:30 a.m. Oct. 19 at Market Street and Madison Avenue. Madison, and charged with driving while under the influence of alcohol.

MOTORCYCLIST INJURED

Michael A. Losch, 28, Alton, was injured Oct. 24 when his motorcycle collided with a car at Maryville Road and Emert Avenue. The driver, Douglas S. Griffith, 29, of 2824 Grand Ave. said he had stopped for a stop sign. Losch was charged with failure to reduce speed to avoid an accident.

GARAGE IS BURGLARIZED

Joe Adams, 2573 Hodges Ave., said Oct. 24 a burglar entered his garage and removed a girl's bicycle and a camping stove.

TRACTOR-TRAILER STOLEN

A tractor-trailer rig was reported stolen Oct. 21 from the Illinois Terminal lot, 405 W. Chain of Rocks Road, Mitchell. The tractor-trailer, valued at \$7,000 and owned by Morrow Transportation of St. Louis, was taken between Oct. 4 and Oct. 8, deputies were told.

Mr. and Mrs. Joseph Margulen

Mr., Mrs. Joseph Margulen celebrate 50th anniversary

Mr. and Mrs. Joseph Margulen, 3228 Edgewood Ave., were guests of honor at a dinner party given at Charlie's Restaurant in observance of their golden wedding anniversary.

Hosting the social event were the honoree's daughter, Shirley Kramer, and grandchildren, Mr. and Mrs. Richard Kramer, Mr. and Mrs. William (Christine) Combs, Michael Kramer and Air Force Sergeant Ingrid Kramer. Sgt. Kramer was unable to attend as she is stationed in Korea.

Mr. and Mrs. Margulen received 50 friends and relatives. They were married Sept. 21, 1935, at St. Joseph Catholic Church, with the Rev. Fr. Ryan officiating.

Mr. Margulen was born June 18, 1914, in East St. Louis and his wife, the former Irene Patrick, was born Nov. 11, 1913, in Bonne Terre, Mo. They have resided in Granite City since their marriage and have three great-grandchildren and four stepgreat-grandchildren.

Mr. Margulen retired from Consolidated Aluminum Corp. in February 1979.

Astor-Miller

Ruth Ann Miller and Craig Robert Astor were married Aug. 30 at Bethel Chapel Pentecostal Church, W. 25th Street and Ohio Avenue, by the Rev. Leon Bell, the Rev. Clifton Galther, Jonesboro, Ill., and the Rev. Ralph Harley, Mobile, Ala.

The bride is the daughter of Donald and Brenda Miller of Granite City and the groom is the son of Richard and Irene Astor of New Kensington, Pa.

The maid of honor was Rebecca Miller, a sister of the bride. Bridesmaids were Tamara Connor, Rori Willett and Jeanie White.

The best man was Gary Astor of New Kensington, a brother of the groom.

The groomsmen were David Brimm, Kenneth Cotton and Tony Ramirez.

The flower girl was Heidi Pugh and the ringbearer was Donnie Pugh.

The miniature bride and groom were Bethany Cox and Paul Wayne Chester. Candlelighters were Lisa Vernon and Kevin Miller, cousins of the bride.

Pianist Luena Chester and organist Velva Belk accompanied vocalists Rebecca Miller, Paul and Luena Chester, and David and Ruth Brimm, who sang several nuptial selections.

Ushers were Charles Connor, George Brimm, Bill Brimm and Rick Binky.

A reception was held at the Granite City Township Hall.

The bride is a 1982 graduate of Granite City High School South and a 1985 graduate of Free Gospel Bible Institute, Export Pa.

The groom is a 1985 graduate of Free Gospel Bible Institute, Export, Pa., and is employed at the Trinity Holiness Assembly of Washington, Ill., as pastor.

Mr. and Mrs. Craig Astor

Kelly-Fisher

James Michael Kelly, son of the Rev. and Mrs. Ray Kelly, of Mounds, Ill., formerly of Granite City, and Brenda Kaye Fisher, daughter of Mr. and Mrs. Charles L. Fisher of Salem, Ill., were united in marriage Oct. 12 at Salem Grace Church in Salem.

Rev. Kelly, former minister of Dewey Avenue United Methodist Church, officiated at the service. A reception was held immediately after the service in the church hall.

Members of the Granite City church who attended the wedding and reception were Jean Hileman, Evelyn Hamilton, Evelyn Thompson, Lora Hancock, Madara Shaw, Virgie Settles, Fern San Soucie, Maymie Waggoner and Tennie Webb.

Granite City women attend national conference

Mary Elizabeth Pennell

Pennell-Bower

Mr. and Mrs. Ronald E. (Margaret Anne Holland) Pennell of Granite City announce the engagement of their daughter, Mary Elizabeth, to Brian Leeds Bower of Charleston, Ill.

Miss Pennell is a 1981 graduate of Granite City High School. She completed her undergraduate studies in 1984 at Eastern Illinois University in Charleston, receiving a bachelor of science degree in education. She is a master degree candidate, majoring in counseling at Southern Illinois University at Edwardsville, and is employed by Community Unit School District 9 as a substitute

teacher.

Bower is the son of Mr. and Mrs. J. Leeds Bower of Charleston. He received his undergraduate degree from the School of Speech at Northwestern Illinois University, Evanston, in 1980, majoring in communication studies. Bower completed his legal studies at Northern Illinois University, DeKalb, receiving a juris doctor degree in 1983. He is associated with the law firm of Brainard, Bower and Kramer in Charleston.

They plan a Nov. 16 wedding at Sacred Heart Catholic Church in Granite City.

The Harley Hotel in Earth City, Mo., was the scene Oct. 20-23 of the 58th national conference of the National Society of the Daughters of the Court of Honor. The Missouri Chapter was hostess to the other chapters, representing 33 states. The current president general is Mrs. Adeline Potter Beier from the Illinois Chapter.

Members of the Dames of the Court of Honor have traced their family lineage back to officers who served in the Revolutionary War.

Because of the lineage tracing, most of the DCH members are also active members of Daughters of the American Revolution chapters. Mrs. Emma Schoen and Mrs. Barbara Williams, both members of the Illinois Chapter, registered for the conference the first day and attended an informal reception for Mrs. Beier, her current national officers and past national officers. Mrs. Schoen, treasurer of the Illinois Chapter, was its delegate for the business meetings.

On the third night, the two Granite City women were accompanied by Mrs. Florence Simpson, a guest, to the honor banquet, with Major General Gerald L. Frazier of the U.S. Air Force Communications

Command as the speaker.

All three women are officers of the D.A.R. Mrs. Schoen is registrar, Mrs. Simpson, treasurer, and Mrs. Williams, vice regent.

Cathy Lynn Brooks and Robbie Rade Reusch were married Sept. 14 at Fort Worth, Texas by the Rev. Tyler Sarlow.

The bride is the daughter of Mr. and Mrs. Earl Hancock and Fred Brooks of Fort Worth, and the groom is the son of Mr. and Mrs. Robert Reusch of Hurst, Texas.

The maid of honor was Rhonda Brooks Kendrick of Fort Worth, a sister of the bride.

The bridesmaid was Lori Reusch, a sister of the groom.

Best man was Michael Reusch of Hurst, Texas, a brother of the groom, and the groomsman was David Moran.

The flower girl was Brandi Kendall.

A reception was held at Gorman's.

After a wedding trip to Dallas, the couple moved to Hurst, Texas.

The bride is the granddaughter of Mr. and Mrs. Ralph Koelker, former residents of Venice, now of Edwardsville.

Mr. and Mrs. Gregory Stafford

Stafford-Smith

Michele Denise Smith and Gregory Lynn Stafford were united in marriage May 18 at the Highland Baptist Church, Louisville, Ky.

The Rev. Paul Duke officiated at the 1 o'clock afternoon ceremony. Jeff Lewis presided at the organ and guitarist Carey Grubbs accompanied Debby Parzych as she sang several nuptial selections.

The bride is the daughter of Carl Robert Smith and Mrs. Alice Faye Gabbert Smith, both of Louisville. The groom is the son of Mr. and Mrs. Newman Stafford of Granite City.

Yvonne Lowry, sister of the bride, served as matron of honor. Donna Smith, a sister-in-law of the bride, was bridesmaid.

The groom chose his brother, Jeffrey Stafford, as best man. Michael Smith, brother of the bride, was the groomsmen.

Ushers were Steve Lowry, a brother-in-law of the bride, and Randy Ezell. The guest book was attended by Lynne Caudle.

A reception was held at Master-son's Restaurant immediately following the ceremony. A rehearsal dinner was hosted by the groom's parents the previous evening at Kayrouz Restaurant.

The bride is a 1977 graduate of Bellard High School in Louisville and a 1981 graduate of Western Kentucky University, Bowling Green, Ky. She is employed as a registered nurse at the Kentucky Medical Institute in Louisville.

The groom is a 1974 graduate of Granite City High School North and a 1982 graduate of Southwest Baptist University, Bolivar, Mo. He is attending Southern Baptist Theological Seminary, Louisville, where he is completing a master of divinity degree in pastoral counseling. He is employed by Kentucky Medical Institute as a psychiatric technician in the Adolescent Treatment Unit.

They are residing in Louisville, Ky., following their honeymoon trip to Hawaii.

The maid of honor was Ellicia Bush.

The bridesmaids were Mrs. Tammy Bodkins and Miss Janice Nelson.

The best man was Danny Goodman, an uncle of the groom.

The groomsmen were Duke

Counts, a cousin of the groom, and Rick Wall.

The guest book attendant was Mrs. Donnetta Roney, a sister of the groom.

Ushers were John Kibbons Jr. and Arley Bennett.

A reception was held at Wilson Park.

The couple is residing in Granite City.

The bride is a 1985 graduate of Granite City High School. The groom is a 1981 graduate of Granite City High School North, employed by Fargron Foundry Inc. of St. Louis as a coreman.

Christmas bazaar set Saturday

The annual holiday bazaar, sponsored by the St. Elizabeth Ladies Sodality, will be open to the public on Saturday, Nov. 2, from 9 a.m. to 7 p.m. in the school cafeteria, Johnson and Pontoon roads. Pam Ames and Vicki Jacobs are serving as co-chairmen this year.

There will be various booths featuring homemade items, holiday decorations, religious items, candy and children's booths. Prizes to be awarded at the conclusion of the event include a homemade quilt, a hope chest filled with linens, Polaroid camera, bouquet of satin roses, Nativity scene, Mr. T doll and Cabbage Patch doll.

Lunch will be Italian roast beef plates or sandwiches.

At the latest meeting, President Linda Logan asked the Rev. Henry Schmidt to open the meeting with prayer and new members introduced included Donna Plott, Karen Harris and Betty Welborn.

It was also noted that due to the bazaar, the Men's Club fish fry will not be held Nov. 1 and has been moved to Nov. 8.

Events announced included the parish Christmas dance Dec. 14 at the K of C Hall. Tickets will cost \$25 per couple. Dinner will be served at 7 p.m.

The Ladies Sodality Christmas party will be Dec. 9, with tickets costing \$3.50. The event will be held in the cafeteria and tickets are on sale now.

Guest speaker was Nona Corzilius, from Church Women United, who spoke on the needs of Project Help. A pantry shower was held to benefit this project.

A prize was awarded to Boosie Schrenk, a madonna went to Joanne Waymire and the quilt of the month was presented to John Medhan.

Holy Hour at the church is set for today, Oct. 27, from 2 to 3 p.m., featuring the Soudancers from Villa Grove, Ill., presenting parables in modern dance.

County deputies get pay increase

MADISON COUNTY — Sheriff's deputies have received a two-year contract with a 5 percent wage increase the first year and a 4 percent raise the second year. The contract was approved by the Madison County Board during a special meeting Wednesday night, with six members opposed.

The deputies, members of

Teachers

(Continued from Page 1A) event the teachers would decide to strike. We will have the proper supervision for all children until the parents are notified of the situation.

There are approximately 1,300 students and 93 teachers in the district.

BOTH SIDES say they are willing to continue talks, but they indicate there will have to be a new incentive or some flexibility on the other side for them to meet.

Pay increase

(Continued from Page 1A) center is seeking a registered nurse to serve as an assistant instructor in the nurse aide program, Ponce said. The nurse would be required to instruct two classes through Nov. 26 at St. Mary's Hospital, East St. Louis, where nurse aide students are trained in practical aspects of the program.

Urban League director named

By SUSANNE INDELCATO Staff writer

MADISON COUNTY — Roger Lyons of Godfrey is Madison County's new Urban League director. Lyons began his duties Oct. 14.

Lyons came to Madison County from Indiana University, where he was a training consultant for the School of Education. He has a bachelor's degree from Marian College in Indianapolis and a master's degree in education leadership from Western Michigan University.

Lyons' goals, he said, are to "develop volunteer corps to work with existing programs and to continue the mission of the Madison County Urban League."

He also hopes to improve the social and economic condition of blacks and other minorities, he said. Lyons is married and has two children.

The Madison County Urban League, based in Alton, provides child care and employment services, housing counseling and family planning.

Zoning board to hear request for use permit

MADISON COUNTY — A request for a special use permit to replace a mobile home will be the subject of an on-site hearing at 11 a.m. Wednesday, Nov. 6, by the Madison County Zoning Board of Appeals.

Vandell Weiss, owner, and Ron Weiss, occupant, want to replace a mobile home with a larger mobile home in an agricultural district in Nantuxi Township. The property address is 4278 Highway 162 in Sunnyside Place.

Dixon proposal for food, shelter passes

The U. S. Senate on Oct. 17 passed legislation proposed by Senator Alan J. Dixon to restore \$20 million in funding to operate the government's emergency food and shelter program. "This brings the Senate bill up to the same level (\$70 million) in the House-passed bill," Dixon said, "so I am confident the money will survive the conference committee and become law."

Under the program operated by the Federal Emergency Management Agency, Illinois received \$4.5 million in 1985 to help feed and house the needy. "This program works with a minimum of overhead and does amazing things with very little money," Dixon said. "It helps provide a bowl of soup to eat or a bed to sleep in for people who would otherwise go hungry or sleep in the streets."

Cable Channel 10

CITY ISSUES ON TV are discussed by Gregg McGee (left) and Granite City Mayor Von Dee Cruse (right). The half-hour public service interview will be televised by South-Western Cable TV Channel 10 at 5 p.m. Oct. 28, 6 p.m. Oct. 30, 7 p.m. Nov. 1, 5 p.m. Nov. 4, 6 p.m. Nov. 6 and 7 p.m. Nov. 8. Speaking from his office, the mayor talks about his hopes for development of an airport at the Lakeside site, programs for senior citizens, ways to enhance the image of Granite City, problems of the sewer system and measures to correct them.

Chamber

(Continued from Page 1A)

1984-85 chamber officers stepped down and the 1985-86 officers stepped up.

Outgoing chamber president David R. Schermer was congratulated by the crowd for the accomplishments during his term of office. In part, he used his time to back the BAC referendum.

"It means more than education, it means jobs for our community," he said.

Schermer also used the time to reflect the chamber's accomplishments during the year. He recounted that the chamber saw the continuation of the Chamber After Hours program, improved chamber visibility provided by its work on the mayoral candidates forum, and the long-sought hiring of a city coordinator.

Named as the 1985-86 chamber officers are: President Donald Pat-

ney Jr.; 1st Vice President Tom Holloway; 2nd Vice President Robert P. Lombardi; Treasurer Jim Eisenbeis; and Executive Vice President R.C. Bush.

Taking over the woman's division for outgoing President Jacques DeWitt is Betty Dietrich.

The 1985 Board of Directors are: George Andres, John Blasingame, Cheryl Crawford, Ronald Daine, William Donovan, James Eisenbeis, John Fornasewski, Joseph Hassler, Roger Higgins, Dan Hines, Tom Holloway, James Hudson, Rick Jarvis, Don Kassing, Jack Lee, Stan Lindquist, Robert Lombardi, Walter Milton, Donald Partney Jr., David Partney, William Patton Jr., Sharon Perjak, Janet Quanton, Paul Raskiewicz, David Schermer, Paul Sodko, Norman Stawar, Donald Van Horn, George Wilkins Jr., and Robert Wydra.

Attends conference on gifted students

Dale Ashmore, a Granite City High School English teacher, was in attendance Oct. 7 and 8 at the 1985 Illinois State Conference for the Education of Gifted Children. Over 2,500 teachers from all over

the state met in Chicago to hear experts in the teaching of gifted children in schools. Ashmore attended meetings primarily concerned with the teaching of critical thinking.

Insituform

(Continued from Page 1A)

egrated into their systems in some degree.

"Though there have been other 'slip lining' methods used in the past, Morris said none of the previous methods offered a repair method without excavation.

"This makes the operation more economical and there are still improvements being made in the system," Morris said.

Schulze said the cost of the Insituform process on the break at Boyle and Stearns was approximately \$106 per foot. This compares to a price of \$328 per foot for replacement of the pipe in place.

The total cost of the Insituform repair project would rise if point repairs on the sewer became necessary before the Insituform was applied.

The key is to get Insituform into lines that show signs of breaking, before they actually break, Schulze said.

Although everything about In-

situform sounds good, Schulze said the process is not the best for all sewer situations.

"If I had my druthers, I'd druther raise the pipe up out of the water table when possible," he said. "But we'll probably be using the Insituform in quite a few situations."

Schulze said the use of Insituform, at this point, is only feasible if performed by contractors. He said the process is patented, which would mean the city would have to pay royalties on the product if it was installed by city workers.

"When the patent on the product runs out, I think you'll be seeing more people performing this type of repair," he said.

The Insituform process is one of the things being considered in a study of the Nantuxi sanitary sewer system. The contract for the study was signed Thursday by Horner and Shifrin, a St. Louis engineering company.

The study will provide options for sewer repairs and financing.

Lifeline rental price will rise

St. Elizabeth Medical Center has announced an increase in the monthly rental of Lifeline monitoring devices effective Jan. 1, 1986.

Since its inception in November 1981, Lifeline, an emergency response service for disabled or older persons who live alone — and want the security of knowing they are in touch with help when they need it — has provided 24-hour access to community medical and social services for \$8.50 per month.

"DUE TO RISING costs, we have decided to raise the monthly rental to \$10," said Ralph Hausmann, SEMC director of social work and Lifeline coordinator.

"Those customers presently in the

Lifeline program and those joining prior to Jan. 1, 1986, will not be affected by this increase.

"The monitoring devices cost \$500 each. So, for a leasing fee of \$10 per month, Lifeline subscribers will still be receiving a valuable service."

"OVER THE YEARS, some hospitals offering this service have raised the rental fees of their units several times. This, however, is the first time in four years that a price increase has been initiated through St. Elizabeth."

For information on the Lifeline program, the public contacts the SEMC Social Work Department at 798-3018.

GC students tour Ranken Institute

Forty-six Granite City Senior High School electricity students toured Ranken Technical Institute and GISMO (Guarantee Instrument Systems of Missouri) this fall.

Ranken has greatly improved and upgraded its programs with "state of the art" equipment in recent

years, according to Max Forbes, GCHS vocational electricity instructor. The electrical department at Ranken has been completely renovated since he took his first group of students to Ranken in 1964. The last time the class toured

GISMO, a division of Guarantee Electric, the firm was making control panels for atomic power plants. GISMO is out of that business, but does build electrical and electronic control centers used all over the world.

PTA approves '85-'86 budget

Niedringhaus School PTA held its first meeting Sept. 24. The meeting was called to order by Principal Harry Briggs, who introduced Dr. Max Redmond, superintendent of schools, and the Niedringhaus staff. Rick Justice, PTA president, introduced the new officers, who include Briggs, vice president, Kathleen Offt, secretary, and Gail Miosky, treasurer.

Main topics of business were the audit report for the 1984-85 school year and the proposed budget for 1985-86. Both were approved. Another item approved was for the PTA to purchase pea gravel to be installed at various playground equipment sites for the safety of students.

The next PTA meeting will be held Nov. 19 in the Niedringhaus School gym.

HIGH QUALITY SURGICAL CARE...
...AT GUARANTEED FIXED RATES.

THE NO.1 COMBINATION

At SURGETTE, St. Elizabeth Medical Center's same-day surgery unit, you will always have full medical center care and assistance at your side. That won't change. And neither will our prices. That's a promise.

For your convenience and assurance, we've taken the 10 most common minor surgeries and assigned a single fixed rate to them. Period.

But best of all, you'll find our "no more, no less" deal comparable to, and often times less than, what other hospitals and surgicenters charge.

It all adds up to peace of mind for you...at a time when you really need it. For more information on the package prices and what surgeries are involved, contact the Business Office at (618) 798-3099.

At St. Elizabeth Medical Center you
get more than health care, you get
understanding.

Rumors of school layoffs untrue

By RACHEL NEWSOME

GRANITE CITY — Rumors about the possible abolishment of custodial and cafeteria staff positions in the school district are not true.
Ruth LaR of the board read a letter to the public at Tuesday's board meeting to that effect. She said the rumors were a "false account" of the board's position.

"These rumors could impair the morale of employees of this district," LaR said. "Therefore, I feel compelled to make a matter of record my position regarding those staff positions."

"THE CUSTODIANS are at an acceptable level and operating efficiently. There is no reason to replace that staff with any outside agency. The cafeteria staff has shown a profit for the first time in many years. In keeping with that position, it is my desire that that staff be maintained."

LaR also mentioned rumors concerning the termination of three administrative positions. She said any change in the administrative structure should be the responsibility of the superintendent.

Granite City School Board hires teachers, notes attendance

GRANITE CITY — Six teachers were rehired by the school board Oct. 22.

Rehired were Mary Morgan, middle intermediate, Parkview School; James Noeth, upper intermediate, Webster School; Jennie Totten, kindergarten-first grade, Wilson; Carla Ashmore, first and second grades, Prather; Phyllis Talley, third grade, Parkview, and second grade, Mitchell; and Mary Miller, kindergarten-first grade, Marshall.

The rehiring is from a list of faculty members honorably dismissed earlier due to enrollment decreases.

The board also approved hiring four instructional assistants: Karen Cline, Webster; N. Elaine Atteberry, Maryville-Frohardt; Rebecca Foote, Webster; and Joyce Valbert, Mitchell.
Christine Hagnauer and Barbara Schmedake were hired as special education teacher assistants.

Jean Hall was named language arts supervisor.

Three resignations were accepted by the board. Resigning are Linda Irwin, middle intermediate teacher at Parkview; Larry Carlil as assistant wrestling coach, high school; and Paul Kindie as eighth grade basketball coach at Grigsby. Steve Cavanaugh will fill Carlil's spot and James Davis will take Kindie's place.
The board approved the retirement of Louis Mehelic, upper intermediate teacher at Webster.

ment of Louis Mehelic, upper intermediate teacher at Webster.

NIEDRINGHAUS TOPS IN ATTENDANCE
Niedringhaus Elementary School had the top attendance rate for all Granite City schools for September, according to figures released by the district.
Niedringhaus had an attendance rate of 97.25 percent for the month, followed by Parkview at 97.00 percent.

Grigsby Junior High School had 95.49 percent attendance, compared to 93.17 percent for Coolidge Junior High. The high school's rate for the month was 94.83 percent.

Kindergarten attendance is figured separately and Mitchell led in that category, with a 97.09 rate. Average attendance rate for the district was 95.34 percent. There were 8,818 students enrolled in the district as of the end of September.

Even in bitter defeat Warriors display class

ALTON — The scene is all too familiar in high school athletics, especially in post-season tournaments.

The finale of the Granite City-Alton Marquette soccer game was no different.

One side was a sea of blue and white swallowing Tom Noll, whose overtime goal gave Marquette a 1-0 win and the regional championship.

Watching the mayhem were the Warrior players. Some overcome by emotion, others just wanting to be by themselves.

They stood watching and waiting for the traditional handshake that follows the game. It was a wait that most Warrior players could have done without.

On a unusually warm October night, Granite City's year came to an end. The Warriors played nearly 100 minutes of soccer. They came so close. But with one kick of a foot, it was over.

"We are extremely proud of these kids," said Warrior coach Gene Baker.

As a coach it is tough to teach your kids skills and then only to watch them carry out the task. Still, coaches feel the emotion without having participated in the competition.

Baker felt it as did his team. His team had been in a dogfight. It was a very physical game, as indicated by the 57 fouls whistled.

Make no mistake Marquette is a good team, but at times they appeared to be too physical.

The extra pushing and contact while going to the ball. The "in your face" attitude. Some of it was a little distracting and took away from a good high school soccer game.

To their credit the Warriors controlled their temper. There were times when it would not have been improper to fight fire with fire. But Granite City didn't.

Sports Comment

Gregg Ochoa

That's not the Warriors style.

"We stress discipline on this team," Baker said.

Baker stressed his team to "divorce themselves" from the unnecessary roughstuff. To try and "play above" the situation.

"I think our kids have had an education this year," Baker said. "I hope it was a good one, but I don't know."

Granite City soccer stresses discipline, style and hard work. All three seem to go hand in hand.

Take senior Dennis Gaudreault for example. For the second straight post-season game, Gaudreault turned in a solid effort. Hustling after the ball and forcing several Warrior opportunities.

Said Baker, "Here's a kid who got his position taken away and he's coming back with a serious injury and to play like that. That's a team player and that really says something."

That's Granite City soccer. The sting of Thursday's defeat will eventually wear off and the goals accomplished this year will be realized.

— 1985 outright Southwestern Conference champions.

A fourth place finish in the Tournament of Champions.

— Of the Warriors three losses, only one was to an Illinois team.

Granite City soccer will rebound. The Warriors always have teams, good programs usually do.

Explorers stun kickers, 1-0

By GREGG OCHOA
Sports Editor

ALTON — The two players Warrior soccer coach Gene Baker feared the most combined to oust Granite City from the state playoffs.

Junior Tom Noll, set up by Tom Stone, saved the "biggest goal of (his) career" for the second sudden death overtime. His soft shot was the difference as Alton Marquette won the Regional C championship 1-0 over Granite City Thursday at Gordon Moore Park.

"I kind of lost it when we scored," said Marquette coach Mike Velloff. "But who wouldn't have."

The regional title was the second of Marquette, and the first since 1982. It was also the first title for Velloff who took over the Explorers this season.

For Granite City, it was the school's first loss in regional play since 1977, when they were beaten by Granite City North.

"They were the No. 1 seed, so I guess it all fits together," Baker said.

"If Stone and Noll aren't all-state then there is something wrong."

With 1:25 remaining in the final five-minute sudden death overtime, Stone took the ball down the left side of the field, drawing the Warrior defense with him.

Stone lofted a crossing pass toward the goalmouth forcing Warrior goalie Terry Dutko to come out of his net. The ball bounced around and Noll tapped it into the back of the net.

"It was just a case of being in the right place at the right time," Noll said of his 23rd goal of the season.

"Tommy (Stone) really made the play. He made a great pass. The ball came to me and I was nervous. I closed my eyes after I kicked it," Noll said.

The win extended the Explorers unbeaten string. Marquette is now 18-0-2 and has posted 15 shutouts this season. Granite City ends its season at 16-4-1.

For Marquette the win was more than just another victory.

"We have been criticized all year," Velloff said. "People have said we don't play a tough schedule. People doubted whether we should have been the top seed."

Marquette now advances to the sectionals at Cougar Field in Southern Illinois University at Edwardsville. The semifinals were to be held Saturday.

The game was very physical, to say the least. A total of 57 fouls were called, 39 charged to the Explorers.

"There were so many fouls it was unbelievable," Baker said. "We knew it would be physical. We just had to divorce ourselves from the ripping from behind."

Despite the fouls, only two yellow cards were issued. Granite City's Jeff Grote was carded with

1:30 left in the third quarter. His tackle prevented Jeff Tanner from possibly breaking in on goal alone.

Chris Kane was carded for the Explorers for dangerous play. That came in the second quarter.

Granite City opened the game in high gear, forcing the play in the Marquette end of the field.

The Warriors got three corner kicks in the game's first seven minutes, however, couldn't get the ball near the goal.

"We just had trouble finishing the play," Baker said.

With 12:45 left in the opening quarter, Granite had the best opportunity. Scott Biason crossed the ball from the right corner. The ball bounced around in front of Marquette keeper Phil Zervas. Both Steve Becker and Dennis Gaudreault had a crack at the ball, but it rolled wide.

Early in the second quarter Dutko recovered nicely, diving back toward the goal making a save as Noll came crashing in.

With 3:05 left in the first half Marquette had a goal by Tanner called back. The ball had bounced up and hit him in the hand before he shot it.

"I was a little concerned then," Velloff said. "You don't get too many opportunities against Granite City and when you get one you have to make the most of it."

Given the reprieve, the Warriors came back. However, each time Granite City appeared to be ready to make a run, a Marquette player was there to knock the ball away.

"They just kept coming," Velloff said of the Warriors.

Granite City had an excellent chance with less than two minutes left in regulation when Biason's hard shot was tipped over top of the goal by Zervas.

Noll was the center of the Warriors' attention during the overtime. He was constantly bumping the Warrior players as the teams struggled for control of the ball.

Marquette had the best chance in the first overtime, but Stone's shot rolled wide. The second overtime was fairly even. Neither team had the advantage.

In the first sudden death, Joe Perigan boomed a shot and Biason ripped a shot. Both times, the ball was just barely wide.

On Marquette's first offensive charge in the second sudden death period, Noll ended the game and the Warriors' season.

"I think we proved something here," Noll said.

Velloff will no doubt relive that in his mind for a long time to come.

"I don't know what will happen

down the line, no one does, but I hope someone will look at this and realize they (Marquette) had one hell of a year," Velloff said.

And, for second time in four years Marquette's year will continue.

Hoop registration set for MAC cage leagues

Registration for those young athletes wishing to participate in the Mitchell Athletic Club's winter basketball leagues still have three dates in which to register.

Registration began on Tuesday, Oct. 22, and continues for the next three Tuesdays, Oct. 29, and Nov. 5 and 12. Persons may register youths from 6 to 8 p.m. at Mitchell Elementary School.

Fees for the league, which will be played on Mondays and Tuesdays, is \$12 per child and includes a team T-shirt which may be kept upon the season's end.

Persons seeking further information about the basketball leagues may call MAC officer Harry Breckner at 797-0567.

Victory over Lancers gives happy 'memories'

By GARY KING
Staff writer

GRANITE CITY — Memories...that's all that remains of the 1985 Warrior football season. However, the Granite City squad made sure that their memories would be cherished and pleasant

ones.

In short, the kind that last a lifetime.

When the Warrior football team took the field Friday night, they were attempting to do what seemed impossible just three weeks ago. A win by the Granite City gridlers

would not only give them a .500 season (4-4), it would also place them in a two way tie for second place in the Southwestern Conference, a feat that no Warrior squad has accomplished in several years.

On the other hand, the Belleville

East Lancers needed a win in order to have any hope of receiving a playoff berth.

For the Warriors, their 7-0 victory was the climax of an accomplished mission. The Lancers, however, will have to put their playoff aspirations on hold until next year.

The key to the contest was the superb play of both defenses. From the outset, it was obvious that the first team to push the ball into the endzone would be in a very advantageous position.

Belleville East would post the game's first points when they recovered a fumble by Granite City's David Tatum on the Warrior 10 yard line.

However, the Warrior defense rose to the occasion as they managed back-to-back sacks of East quarterback Ed Rust. On fourth down, the Lancers attempted a field goal from the Granite City 19. The kick sailed right, thus ending East's most serious scoring threat of the game.

After an exchange of possessions, East found their backs to the goal line following a 64 yard punt by Granite City's Steve Davis. With the ball resting on their own 1 yard line, the Lancers began a 13 play drive which consumed over seven minutes of the clock, but the drive stalled on the East 46.

Following Ed Gochian's 22 yard punt return, the Warriors took over on the Lancer 37. After halfback Fred Becker carried for two consecutive 11 yard gains, and Pat Keeling barreled his way for two more, Granite was faced with first down from the East 10 yard line.

This time, it was the Lancer defense that became stingy. After having failed on two straight pass attempts, the Warriors were forced to try a 27 yard field goal. Unfortunately, Ryan Week's kick was no good.

Although it could have easily been a 10-10 game, the half ended with both squads having nothing to show for their efforts.

The Warriors, after taking the second half kickoff, began what would eventually prove to be the deciding drive of the ballgame.

With the ball resting on the 50 yard line, the bullish Warrior offense went to work. After having moved

the ball to the Lancer 34 on runs by Becker and Keeling, Granite City had a third down and six situation.

With the prospect of another stalled drive glaring at them, the Warrior offensive line opened a hole big enough for Becker to squeeze through and go 17 yards for the first down.

Just four plays later, it was once again a do or die situation for Granite City, as they were facing fourth and goal from the East 1.

With 5:45 left in the third period, quarterback Timmy Hogan broke the deadlock with a perfectly executed bootleg which gave the Warriors the first — and only — score of the contest.

The Lancers, however, were not willing to go down without a fight.

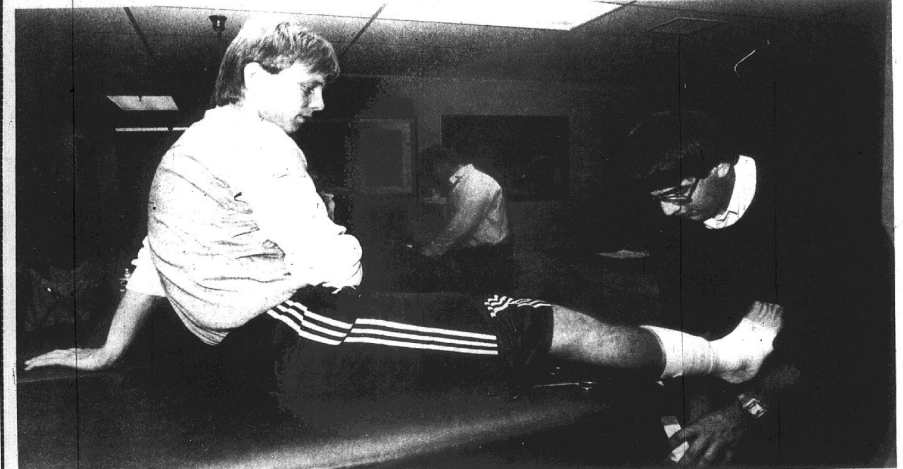

Following Week's kickoff, East took one last shot at breaking the Warrior's rigid defense. Starting on their own 20, the Lancers marched steadily down the field.

After attempting to break up an East pass attempt, Warrior safety Jamie Hogan was flagged for pass interference, giving East a first down on Granite City's 15 yard line. Once more, the defense became dominant.

When three straight rushing plays failed to yield a first down for East, they were faced with fourth and three from the Warrior 8. As Rust rolled out to his left, he was greeted by Granite City's Mike Fongello and Chris Moad, who threw the Belleville quarterback for a loss which ended the Lancers' most serious scoring threat of the game.

Belleville East coach Mike McGinnis was quick to praise the strong

GCHS winter physicals set for Oct. 30

Athletes at Granite City High School wishing to participate in a winter sport may want to attend the physical examination session scheduled at the high school Wednesday, Oct. 30.

Physicals are necessary to compete in a winter sport, however, those athletes who received an examination in August for a fall sport do not need another.

Exams for girls will be given beginning at 5 p.m. in the main gymnasium. Boys needing physicals are asked to show up half an hour later, at 5:30 p.m.

Fees for the physicals are \$10. There will be another session in February for those athletes playing spring sports.

5,000 M run set for Nov. 3

EDWARDSVILLE — The Second Annual Campus Recreation 5,000-meter run at Southern Illinois University at Edwardsville has been set for Sunday, Nov. 3. The run, which will be held on the SIUE intercollegiate cross country course with a 10 a.m. start, will include both a male and female division for a student race and what is being called a "community" race.

Open to members of the public as well as SIUE students, first and second place winners in the 3.1 mile race in each of the four divisions will receive trophies.

Entry fee for the Nov. 3 race is set at \$3 if paid before Oct. 30, and \$4 if paid between Oct. 30 and Nov. 3. For additional information, or entry blanks, contact the SIUE department of campus recreation by stopping by the Vadalabene Center or calling 692-3984.

McArthur attends olympic camp

COLORADO SPRINGS, COLO. — Two Illinois athletes and one coach were among 60 athletes who recently participated in a U.S. Taekwondo Union-sponsored Taekwondo junior elite training camp, Oct. 13-19, at the Miller High Life sponsored U.S. Olympic Training Center.

Participating were: Steve McArthur, 17, of Granite City; Kevin Dunne, 12, of Westchester, Ill.; and Duk Gun Kwon, of Franklin Park, Ill. McArthur has also trained for four years. He also took first place in the sparring event in the 120-129 weight division at the Junior Olympics. At the USTU state championships in Chicago, he placed first in the sparring event.

defensive play of the Warriors, and attributed the loss to Granite City's ball control.

"Their defense just played a super ballgame, they really made the plays when they had to. The offense was what really hurt us though, they controlled the ball and kept it out of our hands," said McGinnis.

Granite City coach Ron Yates pointed out that it was poise and hard work which contributed to his squad's last three consecutive wins. "The offense has been very steady all year, anytime you average three touchdowns a game you should be able to win some games. I've really been proud of the effort they've put out all year."

"The seniors ended strong. These guys have been a good, hard-nosed bunch of kids. I wish them all the

very best of luck," said an emotional Yates.

Defensive coordinator Bob Stegemeyer thought that the improved tackling on behalf of his squad contributed to their success over the last three weeks.

"The kids just started working a little harder, they got more aggressive and started tackling a lot better. Everyone helped contribute to our win tonight, and the last two wins as well. It was a total team effort," said Stegemeyer.

Perhaps senior Tom Schnefke summed up the game the best.

"Our defense dominated tonight," said the Warrior linebacker.

The season is now just a memory, but this year's Warrior squad will not soon be forgotten. Friday night's win was indicative of the character of the team... a lot of heart, and a touch of class.
